Minutes

7:00 PM - Meeting called to order, and greetings occur.

7:02 PM – Agenda Item 1: Remind 101

Mr. Pecar gave information to all parents regarding signing up for the Remind 101 app. This is how all information will be sent out for booster information. The sign up is @cvboost9.

7:05 PM – Agenda Item 2: New and Old Business

- Collage Concert
The concert for CV Choirs is cancelled. There is not a way to safely have 170 students on stage and risers at one time. Additionally, many students had conflicts the night of the concert. Due to the concert being cancelled for CV students, we will not be supplying the concessions. The students are now focusing on the December concert and are working on staging. Lisa Serra is working on communication to be sent out regarding ticket refunds for the Collage Concert. The information will be sent out this week.
- Musical
Tickets are open to the general public as of today. The elementary matinees have been cancelled this year. The schools are not allowed to have assemblies at this time. Talked about the possibility of live streaming the show, but as of now we do not have the license to do so.
- Lobby Decorating
Lobby Decorating for musical will take place on November 2 at 10:00 AM for anyone who is interested in helping.
- Musical Concessions
Talked about having root beer floats this year, but will need to get a license. Will look into this.

7:28 PM- Meeting End

Next meeting scheduled for Monday, October 25th at 7:00 PM in the Choir Room.
